

# **WANTED: Pharmacist with great attitude... to work at The Happy Chemist.**

We are looking for an experienced pharmacist to be our dispensary manager. If you are looking for a change, you should come and work with Clive and his team.

Why?

**You'll make an impact.** You'll be joining a vibrant community of like-minded pharmacists who care about their community. You'll lead an efficient dispensary team who work hard to ensure positive outcomes for our patients. Working with our local PHO there are lots of opportunities for clinical services.

**There's no BS, no gossip, and no politics.** We have strong high-performance culture.

**You'll get direct feedback.** Everyone is accountable.

**You can be part of the journey.** We believe we're building something special at 'The Happy Chemist' and you'll be part of our special team.

**Its cruise control all the way.** Working in a great suburban community means you'll never be stuck in bumper to bumper traffic again.

**Every day is different.** While you'll be a leader, our 'flat' pharmacist management system means you'll experience a variety of roles.

**Be your best.** We believe in GDP – Guts, determination and pride. Training and learning opportunities will challenge you to continually grow and develop personally and professionally into the best pharmacist you can be.
