

Ehara taku toa i te toa takitahi. Engari, he toa takitini.
Success is not the work of one, but the work of many.

Permanent - Full time

Are you a **qualified Pharmacy Technician** who is looking for an exciting change? Then we would love to hear from you!

We're are looking for an experienced Pharmacy Technician who is passionate about their profession to join our dynamic and supportive pharmacy team. As a Pharmacy Technician, you will join a team who are creative and motivated by the many opportunities available to work to the top of scope and participate in continued education.

The primary responsibilities for this role will include- inpatient medication dispensing, pharmaceutical supply to ward imprest, and hospital pharmaceutical stock control. The role will include a variety of other tasks as outlined in the position profile, and dependant on previous experience.

Ideally you have previous experience as a Hospital Pharmacy Technician, however, less-experienced candidates may be considered and are encouraged to apply.

If you need convincing, here is a testimonial from one of our team members:

“Life in the Hospital Pharmacy is never boring. Everyday can be quite different and the variety of roles are awesome. I love the way my clinical knowledge has expanded and I enjoy collaborating with other professionals throughout the DHB. I am grateful for the educational opportunities I have been provided to advance my career and the support of my team to help me achieve my goals. ”

Amanda– Senior Pharmacy Technician (IT)

A career with us is special, you may never want to leave.

For a position profile available.

For further information on this position please contact Tania Arnold, Dispensary Coordinator ph 06 878 8109 ext 2568, or email tania.arnold@hbdhb.govt.nz

Why the Hawke's Bay?

Hawke's Bay is a region on the sunny east coast of New Zealand's North Island. Great beaches, plentiful orchards, stunning wineries, vibrant cities and plenty more to boast about, check out:
