Healthy Hawke's Bay - Te hauroa o Te Matau ā Māui - Excellent health services working in partnership to improve the health and well-being of our people and to reduce health inequities within our community.

We are looking for a **Clinical Pharmacist Team Leader** who lives their values, has good relationship skills, and is a good communicator and problem solver who would relish the opportunity to use their leadership and management skills whilst further developing clinical expertise. The successful candidate will help lead the development of the service.

Your responsibilities will include the co-ordination and development of the clinical pharmacy service, including being part of the clinical pharmacist on-call roster. You will provide coaching and mentoring to our Pharmacists and Intern Pharmacist, while also providing managerial support to the Hospital Pharmacy Manager and Chief Pharmacist.

The successful candidate will be joining a great team in a department that is committed to continuing professional development and opportunities for further study.

Through our values here at the HBDHB, we are proud of our team's diversity. We believe in the strength of a diverse and inclusive workforce, to help us achieve the best outcomes for our patients and the communities in which we operate and serve.

With a vibrant multicultural society complimented by many options for good food and coffee, arts and sporting events, stunning wineries and beaches, Hawke's Bay provides an excellent opportunity to a lifestyle that will support your career.
