

Pharmacy Manager - Wellington

- Located in Wellington
- An exciting management position
- Join our expanding network of health care professionals

Unichem Miramar Pharmacy

We are a community Pharmacy providing dispensing and retail services to our community and have an exciting opportunity for a new Pharmacist Manager in our Wellington based Pharmacy.

We have a collaborative team of 20 and awesome customers and are looking for candidates who are keen to grow the Pharmacy. We would prefer some management experience (but offer training and support from where you are at). At Unichem Pharmacy we have fun, work hard and make sure all our customers receive great service.

What you will be doing

The key responsibility of this role is to make the store your own, get to know your teams - dispensary and retail. Focusing on 'what can we do better?' and seeking out opportunities we could be missing out on. The Pharmacy Manager develops culture of service, sales and customer support that is the basis of sustained success.

Leading the sales, pharmacy and business performance of your store, whilst keeping our customers close to heart is core to the role. As an ambassador for the Unichem brand you will be passionate about representing New Zealand's best pharmacy led health and beauty retailer. You will inspire your teams with your love for great customer care. You'll really drive the success of your store, and help make our customer's look and feel better.

What we are looking for

- Previous experience working in a Pharmacy
- A keen interest in leading teams and growing the business
- Be self motivated and have the ability to work under pressure
- Be open to new ideas and initiatives to implement into the Pharmacy
- Have the ability to sustain positive and productive relationships with staff, internal and external suppliers.

Benefits

Along with competitive remuneration, this opportunity offers professional training support and career progression. In addition to our learning programmes the Green Cross Health Academy offers a Leadership qualification that will help and give you tools to enable you to develop and become a better leader. You will also be able to explore other opportunities in the group if available.

To discuss this particular role please contact Lisa on 09 571 9102 or Bronwen Shepherd on 021 283 6909.

Applicants for this position should have NZ residency or a valid NZ work permit.
